Purpose and Mission

The purpose of Lanier cheerleading is to promote and uphold school spirit, to develop a sense of sportsmanship among the students, and enrich the lives of students through the sport. Our mission is to build character, discipline, self-esteem, integrity, and a feeling of accomplishment in every athlete. We will help students grow and mature, both physically and emotionally, resulting in citizens who embody the LHS ethical principles. We believe learning these qualities in high school prepares you to succeed later in life. These guidelines are made so we can have fun, be safe, work hard, and develop character qualities that make us successful. Excellence is expected.

Important goals of the program are to give students direction in developing character, self-discipline, responsibility, pride, loyalty, leadership, teamwork, respect, and healthy living habits.

Section 2: Academics

LHS Cheerleaders will be expected to maintain academic eligibility. Simply stated: grades come first! Cheerleading will never be an acceptable reason for grades to falter. Grades are checked weekly by the coaches. Failing one or more classes during or concluding the semester may result in the following consequences: attend a study hall with the academic teacher until the grades are brought up to passing and being benched.

To be eligible to participate, practice, and/or try out in interscholastic activities, a student must be academically eligible. Although coaches and the athletic department will look at this information, it is the responsibility of the athlete and their parents to be aware of the athlete's academic standing.

A student is required to pass classes that carry at least 2.5 Units counting toward graduation the semester immediately preceding participation.

2. If a cheerleader is sick and claims that she cannot practice as a result, written documentation or email must be provided within two practice days, signed by a parent or guardian, explaining the situation to possibly excuse the absence. However, in general, if you are well enough to be at school, you are well enough to be at practice.
3. To be considered present, they must be at school for 3.5 periods or leave after 12:00 pm.

Section 3: Tardiness

"If you are early, you are on time. If you are on time, you are late. If you are late you are in trouble!"

2. Students are considered late if they are not properly attired when the practice/game/competition/event time is scheduled. If you are late for the bus, you will be left and there will be disciplinary consequences to follow.
